

CHIEF EXECUTIVE

Marsden Maritime Holdings Ltd is a multi-faceted company based at Marsden Point in Northland, where it owns 50% of Northport Ltd, the Marsden Cove Marina and Haulout complex, farmland, and 195 hectares of industrial and business-zoned land. It is listed on the NZ Stock Exchange and is a strategic asset of its majority shareholder, the Northland Regional Council.

The Board of Directors is seeking to appoint an experienced and enthusiastic Chief Executive. The role requires a candidate with broad skills, able to demonstrate a vision for growth, with a high level of energy and the ability to lead a small but talented team.

Specific attributes include:

- A proven track record of building sustainable growth
- Experience in reporting to a Board or similar
- Profit & loss and balance sheet accountability
- NZX reporting awareness
- Property and commercial/retail development experience
- A proven track record of building and leading teams
- Demonstrated commercial acumen, entrepreneurship and strategic thinking
- Presenting well and engaging effectively with all stakeholders
- Recognising the importance of Health and Safety.

Other criteria could include an understanding of marina business activity, site engineering, retail, marketing, and investment management. The successful candidate will be able to demonstrate personal qualities including commitment, judgement, and an ability to engender teamwork and partnerships in this leading Northland enterprise.

It is anticipated that the successful candidate will reside in the greater Whangarei area or be prepared to re-locate.

All enquiries and requests for a Job Description can be made to:
